EDUCATION

University of Southern California,
Master of Urban Planning

Expected Graduation: May 2027

SKILLS: Python, ArcGIS, QGIS, MS Excel, Google Sheets, Mailchimp, Canva, Adobe Photoshop

COURSEWORK

PPD 534 - Data, Evidence, and Communication of the Public Good

Fall 2024 Semester

- Analyzed the correlation between transportation patterns and public health in Los Angeles by processing spatial data (Census tracts, freeway and metro line shapefiles) and building geospatial visualizations utilizing Python (GeoPandas, Seaborn, Matplotlib).
- Quantified a significant relationship, finding a 1-percentage-point increase in solo commuters was associated with a 0.04-point increase in local asthma rates via regression analysis with Python (Numpy, and Scipy).

EXPERIENCE

Zine Spread Designer, Dear Asian Youth @ USC

Aug 2024 - Present

- Designed over 100+ spreads made with Adobe Photoshop, and Canva for the Fall 2024 Issue, Mono No Aware - a fleeting moment & Spring 2025 Issue, Closing Hours.

Communications Intern, CA Asian American Pacific Islander Legislative Caucus (AAPILC)

Jan 2022 - Mar 2022

- Consolidated and managed data using Excel for key community partners for the inaugural AAPILC monthly newsletter while utilizing Canva and deployed via Mailchimp.
- Drafted talking points for AAPILC Chair Senator Richard Pan, spoken on the Senate Floor for MLK Jr. Day, Lunar New Year, Black History Month, and Cesar Chavez Day with MS Office.

District Office Intern, Office of California State Senator Nancy Skinner (SD-09)

Jun 2021 - Sep 2021

- Conducted research projects surrounding food inequity, resident displacement in the Bay Area, and higher education to advise Senator Skinner's policy position decision.
- Created over 30 casework intakes a day and assisted District Representatives in communicating with constituents about their case status.

Research Assistant, Blum Initiative on Global and Regional Poverty

Aug 2019 - Aug 2020

- Interviewed California State Legislators utilizing Qualtrics to advance the Blum Initiative's understanding of poverty.
- Simplified question style block design in Qualtrics speeding up interview duration times.
